This is our new homework grid, which is for this half term. You can complete any of the activities on the grid and then bring it in to nursery to show us. Please read the extra information at the bottom of the page so that you know how your teachers would like you to use the grid this half term. As always ... if you are not sure, find an activity difficult or want to tell us anything ... see your teacher so that we can help or use the contact details above!

### Phonics

Play 'follow the leader' with your family. One person chooses a body percussion (i.e. patting your knees, clicking your fingers...) and the rest of your family have to join in. Take turns to be the leader.

### Physical Development

Practice putting your own coat on and off. You could try having a go at zips and buttons or even have a race with someone in your family to see who can get ready the quickest.

### Topic

Celebrations: Watch some fireworks with your family. Talk about the colours and shapes you see. We will be doing lots of art work thinking about fireworks. Remember to be safe and follow the firework code

### Language

We will be reading 'Room on a broom'. Imagine you had a magic broom stick. Who would you take on a ride? Draw a picture or tell you're grown up.

### Expressive Arts and Design

Keep a weather chart for a week. Draw a picture to show what the weather is like each day

#### Weather

### Communication

This term we will be learning all about celebrations. Could you bring a photograph to share with your friends at circle time to show you enjoying a celebration i.e. Christmas, birthdays etc.

The tasks below should, if possible, be done every week in parallel with the task chosen from the list above.

### Literacy

Help your child to practise writing their first name, using upper and lower case letters correctly. Encourage your child to hold their pencil correctly.

**Suggested timing:** 5-10mins at least 3 times a week.

### Mathematics

Practise counting 0-20+ out loud. Show your child different numbers, you may want to go on a 'number hunt' around your house.

**Suggested timing:** 5-10mins at least 3 times a week.

This term our topic is 'Celebrations' We will be learning about celebrations all around the world
