SUMMER I

Welcome back KS1.

We hope you had a wonderful Easter break and enjoyed spending time with your families.

Last half-term we started with most children doing their learning online and then we welcomed all children back to school.

It was wonderful to have everyone back and we were so impressed and how quickly everyone got back into the routine.

You all worked incredibly hard and we are all so proud of you!

Let's keep up all of the hard work this half-term—We can't wait to see all of the wonderful things you will do!

Summer I-Weather

This half term we will be starting a new topic: Weather. We will focus on looking at the different types of weather we have in the UK and what happens to the weather as the seasons change and what types of extreme weather we might see. We will be comparing and contrasting this to the weather in Greece.

We will also be exploring Greek Myths in our English learning.

Here are our PE days for this half term.

GREAT FIRE OF LONDON

HOMework GRID Y2

WEATHER

Quiz

Can you create some quiz questions for your family on all of the facts you can remember from the Great Fire of London?

DT

Can you use some of the DT skills we practise to create your own craft?

We practised cutting slits, making tabs, rolling tubes, and cutting shapes out of paper by poking a hole.

Writing

Head to [pobble365](https://www.pobble365.com/) to find different pictures on different days. Can you answer the questions?

<https://www.pobble365.com/>

Don't forget to post your homework on

Observe

Can you set up your own weather station and observe the weather over different days. What changes do you notice?

Here are some DIY weather tool you can make at home:

<https://inventorsof tomorrow.com/2018/01/22/diy-weather-station-for-kids/>

Research

Can you research some facts about Greece and make a poster or PicCollage to show your findings.

Science

Make your own water cycle:

Put 1/4 cup of blue water into a bag.

Tape the bag to a sunny window.

Can you record what happens? 

You should be aiming to read at least 3 times a week for 5-10 minutes.

Practise your spellings on Spelling Shed
