This homework grid is for this half term. You can complete any of the following activities on the grid then bring it in to school to show us. If you are not sure, find an activity difficult or what to tell us anything...see your teacher so that we can help or use the contact details above!

Key Skills	<h3>Spellings</h3> <p>Can you create a spelling challenge for your teacher which includes tricky animal spellings? For example: Aardvark!</p> 		<h3>Maths</h3> <p>Send in a picture of yourself teaching your pet their times tables!</p> 	
Animal Antics	<h3>Get Creative!</h3> <p>Create a sculpture of an animal. You could use clay, plastercine, junk modelling...anything you have to hand.</p> 	<h3>Book Worms!</h3> <p>Read an animal related book, then tell us all about it in a book review. There are loads of choices, maybe you'll read <i>Animal Farm</i> by George Orwell, or perhaps something simpler like <i>Jungle Book</i>. You decide!</p> 	<h3>Research!</h3> <p>Carry out some research into our topic on animals and create a PowerPoint to show to the class! If you send your PowerPoints to your class teacher they will make time to present it and show off your knowledge!</p> 	<h3>English!</h3> <p>Class pets! Write a persuasive letter to your teacher to make the argument for a class pet – you might just get what you ask for!</p> 
	<h3>Maths Genius!</h3> <p>Can you create a puzzle just like the one below? Bring in your puzzles to challenge your teacher!</p> <p><i>A farm house has 20 legs in it. Inside it there are chickens and cats. How many chickens could there be and how many cats?</i></p> 	<h3>Languages Fun!</h3> <p>Can you find out the names of some common animals in french? Can you describe your pet speaking only in French?</p> 	<h3>Get Creative!</h3> <p>Head outside and try and take some wildlife photographs. What can you see on a walk in Rivelin? Is there any wildlife in your garden? Send your snaps to your teacher!</p> 	<h3>Art!</h3> <p>Make a new creature using body parts of other animals – use your collage skills to present your new animal.</p> 
	<h3>Thinking Skills!</h3> <p>Write an A-Z list of words linked to animals. <i>How many can you think of for each letter?</i></p> 	<h3>Get Active!</h3> <p>Start the school year as you mean to go on and do some exercise. Go for a walk, a bike ride, swim or whatever you're interested in.</p> 		<h3>P4C!</h3> <p><i>(Philosophy for Children)</i></p> <p>Discuss with your family at home: Would you eat a dog? Is there a difference between eating a dog and eating a burger?</p>
